

Guardian Angels  
are everywhere at the  
Northeast Cancer Centre.

Whether it's the receptionist who greeted you with a smile, the nurse who stayed by your son's side his first night when he was scared or the surgeon who removed your tumour...

You can pay tribute to the care you received by making a minimum donation of \$100 in their honour. Your Guardian Angel will receive an acknowledgement card informing him or her of your thoughtful gift and a custom-crafted lapel pin to wear with pride.

*Know that every dollar you donate stays in the Northeast to help people from the Northeast.*

# Guardian Angel PROGRAM

## Our First Guardian Angel

Lianne Dupras, leukemia survivor since August 2000, and her family are very grateful for the care provided to her by Dr. Kulwant Gill of the Oncology Dept. of the Northeast Cancer Centre.

“He is a brilliant doctor. He took the time to explain and answer all of my and my family’s questions in regard to the leukemia and its treatment plan. I can truly say that he is all a doctor should be: a perfect balance of medical knowledge and skill, as well as human compassion and kindness. When I heard about the NCF’s Guardian Angel Pin donation program, I jumped at the opportunity to recognize Dr. Gill and his good work in this unique

and enduring way. My husband and I decided that as a Christmas gift to my parents, who were also a great source of support during my illness, we’d donate to this program on their behalf. This touched them deeply as they are so thankful to Dr. Gill for healing their “little girl”.

*All of our Guardian Angels are profoundly moved to know that they have touched your lives so deeply and that you have given back to the Northeast Cancer Centre through a donation in their honour.*
